MEMORANDUM FOR MEMBERS OF THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Non-United States Intelligence Board Intelligence
Requirements Committees

REFERENCE: USIB-D-27.1/4 of 9 January 1959 (Limited Distribution)

1. General Erskine has suggested that the proposed letter about intelligence support to ARPA might more appropriately be addressed to the Secretary of Defense. Accordingly, the draft letter of 9 January has been revised to direct it to the Secretary of Defense, as well as to include several minor other suggestions which have been made to us.

2. It is requested that you substitute the attached re-draft for the earlier 9 January draft distributed with the reference paper.
